Location	Abell Point Marina, Airlie Beach, Qld

Pure Papillion. A pure delight in black and white with a splash of teak. Pure Papillion is an immaculate fast cruising Oceanis 57 with the rare centred helm option. The centre cockpit features pillar mounted helm and instrument panel. The wheel spokes are mounted ahead of the pillar so you can always access controls while steering. Surround seating provides a very social setup around the helmsperson and is comfortable while cruising and on watch. The dodger-bimini offers excellent protection and visibility. A couple can manage everything from the protection of this comfortable cockpit which makes it the ideal cruising boat. Berthed at Abel Point Marina in the Whitsundays, the yacht has immediate access to fabulous cruising grounds, and everything you need to enjoy your cruising and destinations. Beautifully presented with real attention to detail in the furnishings, colour schemes and maintenance, Pure Papillion can offer you the felling of a new boat yet save you much of the cost. Light, spacious, comfortable, fast, practical, manageable, safe and stylish.
