Length	58 ft
Beam	5.11 m
Draft	2.7 m
Displacement	21,625 Kg
Location	Airlie Beach, Whitsundays
Price	\$625,000

The Oceanis 58 offers Style, luxury and comfort. A big boat for cruising with lots of space to live and yet easy to manage without needing additional crew. Escape is in survey for Charter work in the Whitsundays and also is privately cruised by her owners.

Below decks you can stretch out or entertain in a designer lounge space with modern functional galley. The skylight companionway makes the saloon feel spacious and airy.

Forward is a stylish master bedroom with large ensuite including separate shower. Aft is two double cabins that can split to twin berths, also with ensuites. Huge cockpit and deckspace above and a large locker cabin in the bow that adds a watertight bulkhead.

Performance is excellent. Low resistance and long waterline will rapidly chew up the miles. Electric winches make light work of sailing. In this beautiful, well thought-out cruiser, you'll love to Escape as often as possible.
