

VICSAIL

SUNREEF 62 "Trigger"

This Sunreef's superb design offers spacious living combined with luxury comfort and elegant style. The hull is constructed of Aluminium (sealium) and is well equipped with special attention paid to all safety aspects. The practical living space is optimised for extended stays where the owners have the generous and private stateroom space offered by this rare 3-cabin owner's layout. Centralised sail handling equipment and engine controls make sailing an absolute joy and short-handed sailing trouble-free. The vessel is crafted as a world cruising vessel and CE certified according to Bureau Veritas norms.
